

TERMS & CONDITIONS

PLEASE READ THE FOLLOWING TERMS AND CONDITIONS OF USE CAREFULLY BEFORE USING THIS WEBSITE.

All users of this site agree that access to and use of this web site are subject to the following terms and conditions and other applicable law. If you do not agree to these terms and conditions, please do not use this site.

All information and any other content appearing or available for download ("Content") on this web site or any other web sites or pages ("Site") controlled by Novogen Limited (collectively "Company" or "Novogen") are provided by way of general information only. It is not intended that users of the Site make any investment or commercial decision on the basis of the Content. Users should obtain independent advice and make their own further enquiries before making any investment or commercial decision or taking any further action in any way related to the Content. Novogen will not be liable for any loss or damage arising from a person acting on, or refraining from acting on, the Content. Neither Novogen nor any of its directors or employees warrants that any specific objective of Novogen as described in this Site will be achieved or give any guarantee in, or by virtue of this Site concerning the Company's financial or scientific performance or the price or value of its securities. The Content is provided on an "as is" basis for your convenience. Users should note that the Content may not be current, or there may be delays before it is updated. The Company, its directors and employees do not give any warranty or representation concerning the completeness or accuracy of the Content and do not accept any responsibility for errors in or omissions from the Content.

This Site and the Content are subject to copyright under Australian laws and regulations and, by virtue of international treaties, under the laws of many other countries. Unless otherwise indicated, the Company owns all rights subsisting in the Content, including but not limited, any trademarks, logos, designs, copyright material or any other intellectual property.

In accessing this Site through your browser you may view the Content, save an electronic copy or print out some or all of the Content appearing on the Site provided that this is solely for your own information, research or study. You must not modify the information or give it to any other person without written consent by the Company. Any other use, including but not limited to the reproduction, distribution, display or transmission, of the Content of this site is strictly prohibited, unless expressly authorized by Novogen in writing.

Nothing contained on this Site, or arising from your accessing this Site, grants you any license or rights to use any of the Content, including, but not limited to, any trademarks, logos, copyright material or other intellectual property, without first obtaining the Company's written consent.

Novogen does not warrant or represent that this Site or emails received from the Company pursuant to the mailing list facility will be uninterrupted or virus free or free of other harmful components. The Company does not accept any responsibility for any damage caused to your equipment as a result of accessing this Site, downloading any of the Content or receiving emails from the Company pursuant to the mailing list facility.

Users who subscribe to the mailing list facility will be deemed to have consented to the Company using the details they provide at the time of subscription for the purpose of sending them information pursuant to the mailing list facility. The Company will not use these details for any other purpose and will not seek to obtain or use any other information that it may be possible to obtain about users by virtue of their use of this Site.

Novogen may revise, change, amend or alter the Content or withdraw access to this Site and its Content at any time without notice.

In an attempt to provide increased value to our visitors, Novogen may link to web sites operated by third parties. Novogen has no control over, assumes no responsibility for, the content or condition of any third party web site which may be accessed from this Site.

Use of any third party web site is at your own risk.

Users of the Site may not act in any manner of form that would be harmful to others, via any means available. The use of obscene or abusive language is strictly prohibited. Impersonation of others, including Novogen, its directors, employees or contractors, is strictly prohibited.

Novogen reserves its right to moderate or delete any user content, at its own discretion and without notice.

By using this Site you agree to the terms and conditions set out above.
